## Terms & Conditions – for Boca Raton Airport Gate access and ID Cards.

1. Possessing a Gate/ID Card is a privilege and Airport Security starts with you.
2. Gate Access or ID Cards DO NOT provide authorization to be on active runways, taxiways, and safety areas (Movement Area).
3. Gate Access and ID Cards are NOT TRANSFERABLE between parties. Your card is issued to you and *only you are authorized to use it*. You agree that you will not give or let someone else use your Gate/ID Card.
4. You agree that you will return your Gate/ID Card when you are no longer employed by, no longer have an aircraft located at, or are no longer in day to day business with a tenant of the Boca Raton Airport. You further agree that you will notify Airport Management immediately of any changes in the information provided on this Identification/Gate Card Application. **Failure to return a badge or notify Airport Management of a lost badge will result in a \$100 fine.**
5. Upon entering or exiting a vehicle gate, you will wait for the gate to completely close before proceeding and prevent any un-authorized persons or vehicles from entering the Airport Secure Areas and the Airport Operations Area (AOA). Only one vehicle at a time thru the gate and no "Piggy-Backing".
6. The AMA is restricted for both safety and security. All individuals in the AOA should possess an Airport Gate Access or ID Card. Except for passengers enplaning and deplaning aircraft, the general public (even contractors) is prohibited from the AOA unless escorted by an authorized Gate Access or ID Card holder. *Contractors and Guests must remain within visual contact of their authorized escort at all times. Contractors or guests can not be left alone for any period of time, this will result in the potential termination of access to the escorting badge holder and the removal of all involved from Airport property.*
7. Persons with access to more than one hangar, or tenant area, agree to exit the first tenant area to the un-secure (Airport Road) side of the Airport and re-enter the other tenant area via the closest gate to the second tenant area.
8. Driving across the ramp areas of other tenants is prohibited. Tenant areas with specifically marked ground vehicle driving paths will be utilized to maintain aircraft and ground vehicle separation.
9. Once on the AOA you will exercise extreme caution while driving, and will look out and listen for aircraft at all times. The Speed Limit on the AOA is 15 miles per hour, and you agree to drive at this limit or slower at all times. Erratic driving or excess speed is prohibited.
10. Aircraft and Pedestrians have the right of way over any ground motor vehicle.
11. Ground motor vehicles will park in designated parking areas only. The Aircraft Parking Apron and Tie-Down Spaces are not designated ground vehicle parking areas.
12. The Airport Manager and staff have the right to tow or otherwise move any motor vehicle for reasons of safety, security, parking in unauthorized areas, abandonment, and law enforcement assistance or official investigation.
13. The driver of any vehicle involved in an accident on the AOA shall stop and render assistance at the scene. Pilot or Driver details including names, address, license number, insurance information, names of others involved and phone contacts will be given to any witness, police/security officer and airport officials upon request. Any accident must be reported to Airport Management.
14. BCT reserves the right to revoke any GATE Access or ID Card holders access authorization where such action is determined to be in the best interest of airport security or safety.
15. I hereby release the Boca Raton Airport Authority from any and all causes of actions, torts, damages, judgments, claims, rights and demands that may arise in connections with the issuance, use and termination of this Gate Access or ID Card.
