PROCEDURES FOR PILOTS

When flying into the Boca Raton Airport from an international destination, simply taxi up to the Customs and Border Protection Facility, located between Taxiways P6 and P7.

The Boca Raton Airport is a User Fee Airport. When arriving by air, the fee is paid using the payment kiosk located in the airside waiting area prior to clearing customs.

After paying the user fee, simply proceed to the Customs and Border Protection processing area to complete the clearing process.

WHEREVER YOUR TRAVELS
TAKE YOU, WE'LL MAKE IT
EASIER TO GET BACK HOME.

The 4,400 square foot **Customs and Border Protection (CBP)** facility enables you to fly directly into the **Boca Raton Airport (BCT)**, where you can quickly and efficiently clear customs.

The Customs and Border Protection Facility is available for clearing Thursday through Monday from 10:30 a.m. to 6:30 p.m. After hour clearings can be requested by calling 561-665-5842.

PROCEDURES FOR BOATERS

Boaters utilizing the Boca Raton Airport to clear Customs should enter the facility through the landside lobby. The user fee is processed through the payment kiosk located in the lobby prior to clearing customs.

After paying the user fees simply proceed to the Custom and Border Protection processing Window.
