

Memo

To: James R. Nau, Chair and Board Members
From: Travis Bryan, Operations Director
Date: April 20, 2022
RE: **Security System Enhancements – Invitation to Bid**

AGENDA ITEM – V - C

An Invitation to Bid for Security System Enhancements for the Boca Raton Airport was issued on February 28, 2022 and closed on April 5, 2022. These enhancements include the replacement of all security cameras and installation of additional; replacement of VMS headend servers and associated hardware; installation of fiber optic cabling to facilitate new camera locations; various access control enhancements, and the conversion of security lighting at gate locations to LED.

One vendor submitted a bid for the project and the bid was deemed responsive and responsible by Legal Counsel and Airport Management

Airport Management recommends approval of Resolution Number 04-07-22 awarding a contract to AVI Integrators, Inc. dba Security 101 in the amount of \$1,434,713.76.
